1918 Inverted Jenny

[Research](#)[Remove](#)

Condition: Good

Date From: 1918

For Sale: Yes - \$1,000,000

Discription:

is a United States postage stamp first issued on May 10, 1918 in which the image of the Curtiss JN-4 airplane in the center of the design appears upside-down; it is probably the most famous error in American philately. Only one pane of 100 of the invert stamps was ever found, making this error one of the most prized in all philately.
